## Professional Experience

---

### Web Applications Developer

*City of Cocoa Beach*

*August 2016 - Present*

COCOA BEACH, FL

- Developed internal mobile and web applications with C#, ASP.NET, SQL Server, and IIS. Utilized Visual Studio 2015 and SQL Server Management Studio for development.

### Web Developer

*Florida Cruise Ports, Inc.*

*April 2015 – August '16*

MERRITT ISLAND, FL

- Developed, designed, and maintained company websites and systems.
- Built a reservation system which improves the speed and efficiency of the reservation staff to make phone order reservations. Integrated Authorize.net API into the new reservation system.
- Built a database management system entirely in PHP which simplified creating and managing MySQL database tables and data.
- Built a transportation reservation shopping cart with Authorize.net integration for company clients.
- Programming languages included PHP, MySQL, HTML5 + CSS3, jQuery, and JavaScript.

### Web Developer

*Community Champions Corp.*

*Oct. 2013 – April 2015*

MELBOURNE, FL

- Designed, programmed, and maintained 8 company websites
- Managed a dedicated web server and hosting account
- Managed company social media accounts
- Provided tech support to staff

### IT Assistant

*V&N Advanced Automation Systems*

*July 2011 - June 2012*

ROCKLEDGE, FL

- Designed, built, and maintained company website using HTML, CSS, PHP, MySQL, and digital media.
- Answered user inquiries regarding computer software or hardware operations.
- Conferred with users and conducted computer diagnostics to investigate and resolve problems.

### Volunteer Office Assistant

*Brevard Cultural Alliance*

*Jan. 2009 – Aug. 2009*

VIERA, FL

- Performed updates and fixes for the organization's website. Programmed with HTML, CSS, PHP, and MySQL.
- Operated office machines including a laminator, a business printer/scanner, and workstations.
- Corrected database data errors
